ABOUT ME

I'm Haing, an undergraduate design student with a passion in creative branding, UX/ UI, writing story, and visual story telling through my style of design.

EXPERIENCE

• De Time News (May 2020 – March 2022)

Graphic Design & Video Editor

I was one of the main Graphic Design and Video Editor, especially for their live news in the studio, where I work closely with lighting, camera and editing software.

• RMA Corporate Production in Phnom Penh (2024)

Photography Assistance

I was working as a Photographer Assistance for a on side corporate and promotional photoshoot.

• Paragon University (2025)

Graphic Designer

I was intern as a Graphic Designer for their Public Relation office, with the main task to design their holiday and some promotional poster and flyer.

EDUCATION

2020 High School

Leep Khun High School

2022 – Present University

Limkokwing University of Creative Technology
